Believe we should discuss
with Sen Smith if all - non-comm.
It is all OK with me but
the RIM should say we need
all of them. I would say it
looks a little heavy. PM
& OPS officer - looks like one
job - 3 analysts - why not 2
Training officer & WFO - why not
one. I don't think we will have a chance
of sitting this way in the program. Sen F. G.
